

A Smart, Scalable Solution for Multilingual Learners

Built on the Science of Reading and Second Language Acquisition

MLLs Grow Faster When Literacy & Language Are Developed Together

A 2024–25 analysis in a large, urban district confirms it: when implemented with fidelity, Connect to Literacy™ produces

- Faster proficiency
- Higher reading growth

The Impact of Connect to Literacy™

- +26% greater MAP Reading growth at 99% confidence level
- Upward movement into Advanced and Advanced High on English language proficiency (ELP) assessment

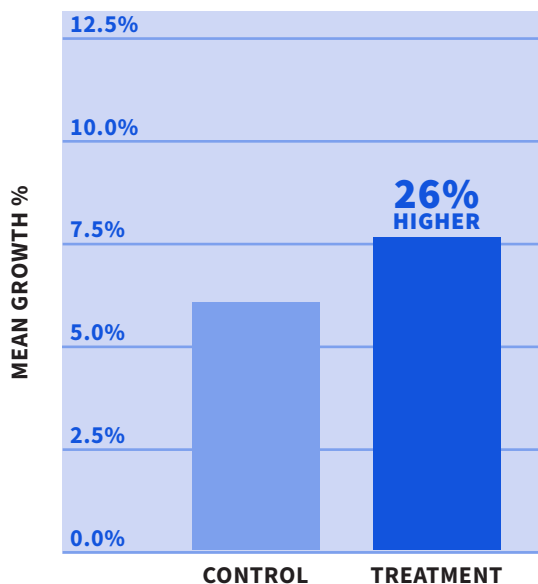

BOY-EOY Growth on the NWEA MAP Reading Assessment

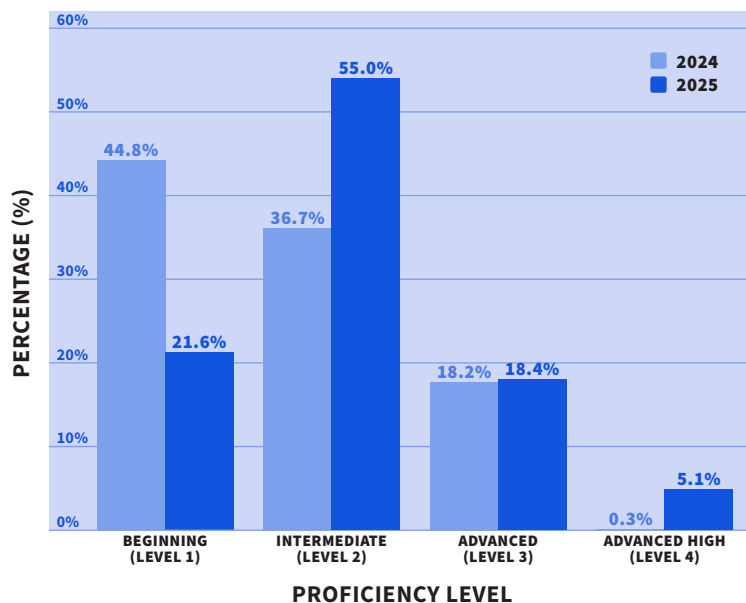

Study Overview

- **Sample:** 19,100 multilingual learners (grades 2–8)
- **Design:** Well-designed correlational study with comparison group
- **Outcome Measures:** NWEA MAP Reading (BOY→EOY), TELPAS
- **Implementation Fidelity:** ≥3,200 min + ≥50 Foundational Lessons per year

OVERALL BOY-EOY GROWTH ON THE NWEA MAP READING ASSESSMENT

IMPACT ON TELPAS COMPOSITE PROFICIENCY LEVELS

A Smart, Scalable Solution for Multilingual Learners

Built on the Science of Reading and Second Language Acquisition

ESSA Evidence

- Meets ESSA Tier 3 (promising evidence)
- Demonstrates Tier 4 rationale grounded in Science of Reading + Second Language Acquisition

Connect to Literacy™

A literacy and language development solution built for multilingual learners, integrating explicit foundational skills, structured language development, academic vocabulary, morphology, syntax, comprehension, and writing

Combined Funding Use

Connect to Literacy enables districts to braid funding to accelerate MAP Reading growth while improving state language proficiency outcomes.

Title I & III Alignment

Title I Supported Uses

- Supplemental literacy intervention
- Evidence-based support
- Closing achievement gaps
- MTSS and RTI intervention
- Data-driven improvement

Title III Supported Uses

- English language acquisition
- Academic language development
- Professional learning tied to ELD
- Newcomer and long-term English learner supports
- Reclassification readiness
